

Tic-Tac-Toe Career Cluster Assignments for Earning Badges

1 Block = 1 Badge

For each completed Tic-Tac-Toe, earn 1 Super Badge that doubles your population (2 Tic-Tac-Toes = 2 Super Badges, 3 Tic-Tac-Toes = 3 Super Badges, 4 Tic-Tac-Toes = 4 Super Badges, Black out = 5 Super Badges)

Seek a guest speaker and invite him/her (via letter) in to speak to the class.	Create a picture collage of different occupations within this career cluster.	Interview someone who is working (or had a job) within this career cluster. Document your questions and their answers.
Create a word search or crossword puzzle that includes at least 20 jobs within this career cluster.	Your Choice! Repeat a choice or design your own.	Create a page for your ABC Career Storybook using an occupation from this career cluster.
Research a career or occupation within this career cluster, write a one page reflection.	Research and create a table or graph of the salary and job potential of 10 different occupations within this career cluster.	Watch a TV show or movie that portrays a career or occupation within this cluster. Write a one page summary of the career.

To get credit, students will show completed work to teacher and give a one minute description of the project/what they learned. Teacher uses a stamp to mark it complete (on assignment and on grid), student signs their name on the square to get credit for their individual work. Badge awarded to the student and is pasted onto their Career Island Map.

Want to do another **original** assignment for the tic-tac-toe grids? Create your own assignment (different from the one offered on the grid), write it on the square below and paste it onto the grid.
